It was a boring day in that big whitehouse  
White wearing nurses looking after us  
Amen they said and amen I prayed  
Then one day I met this strange looking man  
He rang their bell and smelled like hell  
Oh boy,good heaven  
Is he a man, called frankenstein  
He said:iÂ´ve heard that you wanna play  
Yes youÂ´re right but they want me to stay  
DonÂ´t worry son, I got a golden way  
TheyÂ´ll be happy to hear you play  
Oh boy,good heaven  
Is he a man, called frankenstein  
Goodbye mad house  
No more pills to eat  
I wonder how long heÂ´ll try  
It was a boring day in that big whitehouse  
White wearing nurses looking after us  
Amen they said and amen I sayed
