Iâ€™m having a good time, seeing red all the time,
Iâ€™m having a good time, allright
Iâ€™m having a good time, seeing red all the time,
Iâ€™m having a good time, iâ€™will be june
around,allright
I was stuck in a playground
Sent back to the roundabout
Iâ€™m having a good time allright
Iâ€™m having a good time allright
