waiting for my bus  
well I'm searching and looking  
searching and looking for her  
walking away  
well I'm searching an looking  
searching and looking for her  
is she wearing that same yellow dress  
walking with that same mama's boy  
hope she ain't going steady  
waiting for my holiday  
well I'm searching and looking  
searching and looking for her  
and I am trying to stay clean  
well I'm searching an looking  
searching and looking for her  
keep on wearing that same yellow dress  
forget all the other boys  
go steady with me  
well running around the street  
looking for my girl  
stopping at street lights

waiting for my girl

where's that girl

I'm looking for her

where's that girl

I'm searching for her

one one one one
