Till the day I die

Till the day I die

Till the day I die

Leave my home and die

All the friends of mine

I leave behind

Till the day I die you kiss me goodbye

Don't say I was alone

Hey my mama

Till the day I die, i'm free and home at last

All the friends of mine

I leave behind

Till the day I die you kiss me goodbye

Yes sir you see, till the day I die

At last i'm free

No way to push, push me any more

Till the day I die ,till the day I die

You kiss me good bye
