Late late late last saturday night
I went to the nightclub to drink and dine
Late late late last saturday night
I saw that girl she danced so fine
(I gotta) lack of money
and a lack of style
I don't mind, she danced so fine
Said Tokyo tiger and the ring of fire
that I met my true desire
she hit me with her hips and hairdo
my heart just said an extra boom
Lack of money
and a lack of style
I don't mind, she danced so fine
Like a quicksilver Sam I made up my plan
I ran to the floor the best way I can
I got rid of my boots and my trousers too
for a moment I felt like a spacehead fool
(I gotta) lack of money
and a lack of style
I don't mind, she danced so fine
(I gotta) lack of money
and a lack of style
I don't mind, gonna be the first in line
ooh I'm so willing
ooh I'm so willing
this is too thrilling
Late late late last saturday night
I went to the nightclub to drink and dine
Late late late last saturday night
I saw that girl she danced so fine
(I gotta) lack of money
and a lack of style
I don't mind, she danced so fine
(I gotta) lack of money
and a lack of style
I don't mind, gonna be the first in line
(I gotta) lack of money
and a lack of style
I don't mind, she danced so fine
