Song by Written by David Bowie

Goodbye love  
Didnt know what time it was the lights were low oh how  
I leaned back on my radio oh oh  
Some cat was layin down some rock n roll lotta soul, he  
said  
Then the loud sound did seem to fade a ade  
Came back like a slow voice on a wave of phase ha  
hase  
That werent no d.j. that was hazy cosmic jive

Theres a starman waiting in the sky  
Hed like to come and meet us  
But he thinks hed blow our minds  
Theres a starman waiting in the sky  
Hes told us not to blow it  
Cause he knows its all worthwhile  
He told me:  
Let the children lose it  
Let the children use it  
Let all the children boogie

I had to phone someone so I picked on you ho ho  
Hey, thats far out so you heard him too! o o  
Switch on the tv we may pick him up on channel two  
Look out your window I can see his light a ight  
If we can sparkle he may land tonight a ight  
Dont tell your poppa or hell get us locked up in fright

Theres a starman waiting in the sky  
Hed like to come and meet us  
But he thinks hed blow our minds  
Theres a starman waiting in the sky  
Hes told us not to blow it  
Cause he knows its all worthwhile  
He told me:  
Let the children lose it  
Let the children use it  
Let all the children boogie

Starman waiting in the sky  
Hed like to come and meet us  
But he thinks hed blow our minds  
Theres a starman waiting in the sky  
Hes told us not to blow it  
Cause he knows its all worthwhile  
He told me:  
Let the children lose it  
Let the children use it  
Let all the children boogie
