A small place inside my brain gets numb, when I speak
your name.
Pipes leaking in the Bronx, Christ is in the stain.

This is all you know, you fool
This is all that you want to
It's a lyric in a song
this is your life.

Some place between the wall where I just don't belong.
Misfitted and derailed and every stare is prolonged.

This is what you get, if you mess with us.

If you step on the crack then this can become that.
Make yourself involved inside your shotgun shack.

This is all you know you fool.....
