They, Just Don't

The Butcher of meat doesn't care  
neither does the moppper of floors  
and those who poke holes in donuts and souls  
have decided to shut down the store  
The shiner of shoes doesn't care  
include the cutter of hair  
the whole checkout line and the corkers of wine  
don't care who,what,when or where  
The garbage men don't give a fuck  
when they sort through the junk on the truck  
things rich people throw out, these guys know how  
to fix and then sell for a buck  
But the server of booze care the least  
they save more souls then the priest  
and later at home on a bed all alone  
the demons of depression have a feast.
