We are alone here together  
I rather be by myself  
I thought that we be forever  
but you turn and walk away

I'm in a state of denial  
tell myself I'm OK  
putting our love on trial  
you turn and walk away

And in my mind we are screaming and fighting  
I tell you things that I never would say  
but when we get round to it  
you turn and walk away

I tried to keep on believing  
your feelings would never fade  
I know who I've been deceiving  
when you turn and walk away

And in my mind we are screaming and fighting  
I tell you things that I never would say  
and if you don't love me why can't you just hate me?  
as long as you feel something  
we'll find a way

Somehow you just don't get it  
as you turn and walk away

And in my mind we are screaming and fighting  
I tell you things that I never would say  
and if you don't love me why can't you just hate me?  
as long as you feel something  
we'll find a way

Somehow you just don't get it  
as you turn and walk away...
