it's a world of laughter, a world of tears
it's a world of hopes, and a world of fears
there's so much that we share
then it's time we're aware
its a small world after all

CHORUS:

it's a small world after all
it's a small world after all
it's a small world after all
it's a small small world

There is just one moon and one golden sun
And a smile means friendship to everyone.
Though the mountains divide
And the oceans are wide
It's a small small world

(chorus)
