Star light, star bright,  
First star I see tonight.  
I wish I may, I wish I might,  
Have the wish, I wish tonight.

Ohh, a world of wishes,  
A world where dreams come true.  
So make a wish, see it through.  
Dare to do what dreamers do.

CHORUS:  
Wishes...  
Dream a dream.  
Wishes...  
Set it free.  
Wishes!â€  
Trust your heart.  
Just believe.

We're all just children,  
Reaching for our dreams.  
They're shining high above us,  
And even though it seems so far (so far)  
We put our faith and hope on a shooting star.

Ohh...

CHORUS:

Star light, star bright,  
First star I see tonight.  
I wish I may, I wish I might,  
Have the wish, I wish tonight.  
We'll make a wish and do as dreamers do.

And all our wishes, (All our wishes)

All our wishes,  
Will come,  
True!â€

Wishes, wishes.
