Got a four man wreckin' crew
On the stage
We display a new rock attitude
We made a name at the Viper Room

In the scene that was built for me
Like a dream
I lost touch with reality
I nearly lost my sanity
And all my dreams are comin' true

Eyes are watchin' you
Whatcha' gonna' do
And I can see mine, too
One night at the Viper Room

From the street
You can hear the sound
Feel the bass hit your face
So loud that it knocks you down
It breaks the walls
And it shakes the ground

Take a ride on the wild side
Raise a fist
And enlist in this
Our battle cry
It's Rock 'N Roll
We won't let it die
'Cuz we've got something here to prove

Eyes are watchin' you
Whatcha' you gonna' do
I can see mine, too
One night at the Viper Room

Open your eyes
And see
This place destroying me
How did it get to this
I know you wanted to fly

So high

Yea', yeah

My eyes are watchin' you
Whatcha' you gonna' do
I can see mine, too
I'm gonna' take you to the Viper Room

One night at the Viper Room

One night at the Viper Room
