(Chorus)

(English translation)
Sometimes all it takes is a song
To put me at ease
I forget about the lines,
The humidity,
The annoying shopkeepers
Now is one of those times
There's a rose
Blooming in my heart
Now is one of those times
The sun is shining down
I can see the whole city is falling in love

It's impossible to miss you
Fate is so strange
I hadn't expected it
But here it comes
It's impossible to miss you

Love always surprises us
It's blissful
It frees us from restraint

Sometimes all it takes is a song
To make me want to fall in love
I forget that I'm not free,
I spend too much money,
And my friends blame me for it
Now is one of those times
There's a rose
Blooming in my heart
Now is one of those times
A rainbow is appearing
That's your smile, your love

(Chorus)
