Guys rock Girls rule
(when purple chorus and all sing)
(pink girls sing) (green all sing) (blue boys sing)

Guys rock Girls rule x2
Boys always think that they are real cool
Try to break the rules
Girls always think that there real smart
When they really aren't
WHATEVER!

There always putting us down
We hate when they come around
You act like such little girls
When we can't figure them out
They make us just want to shout
There just girls

And we keep telling them
Guys rock Girls rule
Everybody tells us so
Go go go
Guys rock girls rule
They say we are from two different worlds
Guys rock Girls rule
Everybody tells us so
Go go go
Guys rock girls rule
They say we are from two different worlds

Girls try real hard to be seen in school as real popular
Boys think there really strong and they act like there
never wrong
We are not
What ever
There always putting us down
We hate when they come around

You act like such little girls
When we can't figure them out
They make us just want to shout

There just girls

And we keep telling them
Guys rock Girls rule
Everybody tells us so
Go go go
Guys rock girls rule
They say we are from two different worlds
Guys rock Girls rule
Everybody tells us so
Go go go
Guys rock girls rule
They say we are from two different worlds

Every time boys take you down you can always
count on me
girls will always rock it out just you and me

every time girls scream and shout you can always
count on me
boys will always rock it out just you and me

every time they get you down you can always
count on me
we will always rock it our just you and me

Guys rock Girls rule
Everybody tells us so
Go go go
Guys rock girls rule
They say we are from two different worlds (x2)

Guys rock Girls rule (x4)
