You're in control
Pressin' pause on my heartbeat
Someone stole all the air
So I can't speak
Now I know
The chase is on
I feel as though
My time has come

How many times do I fly
Through your head space
Now it's speeding away
From the safe place

Yeah, your skin,
The touch, the kiss,
The rush, too much
And here it comes

When your lips touch mine
It's the kiss of life
I know
I know that it's a little bit frightening
We might as well be playing with lightning
We touch like,
Like it's our first time
I know that it's a little bit frightening
We might as well be playing with lightning now

Just you and me and the
Coats in the back room
Learning things they don't
Teach in the classroom
Now, you're here
I feel the fear
But everything
Is oh so clear

I've been addicted to you
Since the first hit
Out of control

Like a surge of electric

Yeah, your skin,
The touch, the kiss,
The rush, too much
And here it comes

When your lips touch mine
It's the kiss of life
I know
I know that it's a little bit frightening
We might as well be playing with lightning
We touch like,
Like it's our first time
I know that it's a little bit frightening
We might as well be playing with lightning now

Your skin, the touch,
The kiss, too much
Your skin, the touch,
The kiss, the rush
Your skin, the touch,
The kiss, too much
The rush, the rush,
The rush, the rush

When your lips touch mine
It's the kiss of life
I know
I know that it's a little bit frightening
We might as well be playing with lightning
We touch like,
Like it's our first time
I know that it's a little bit frightening
We might as well be playing with lightning now
