If Nathan won't do it
If Tom won't do it
And Jay won't do it
Then go for Siva's model pout instead
If Max didnt hide it
If Nathan didn't hide it
Then why can't I find it
All the guys have tried it on now
And looked wrong somehow
So I'm getting my pout ready
Getting my pout ready now
It's a band photo
We gotta get into a nice straight row
Hope you can't see the creases and they've ordered
the pizzas
Being a heart-throb ain't easy you know
Guess what time we get up get up now
Cause Max won't wash it
and Jay won't wipe it

Don't mean to drop it
But cleaning just drives us out
of our heads
When I'm handed pictures to sign and I'm trying to be
patient
But girls all go berserk for their screaming adoration
Because they say it helps.
It's to maximize flirtation but I must get back to this
shoot
This bit's slow mo, then we get back into a nice straight
row
As our fame increases schedules on press releases
And so our fans already know exactly where to go now
I wonder if I'll be the solo star but I'm worried if I do
depart
Then my place in the band will go
and it'll break up our nice straight row
row row row row row
We're all standing
slow mo slow mo slow mo
It's a band photo we gotta get into a nice straight row

How you cant see the creases and they've ordered the
pizzas
Being a heart-throb ain't easy you know
Guess what time we get up get up now
