I see you walk away, walk away  
So why you looking back at me like that?  
If you're not messing with me, messing with me  
Then why you go on and kiss me like that?

My head is killing me, killing me, girl  
Are you telling me stay or go?

If I can't have you, why won't you let me go?  
If you don't want me, say it on the radio  
So go on, go on, go on, just play it  
Come on, come on, come on, you'll never say it  
That you don't want me cause you can't let me go, me  
go

Monday and you're all over me  
Now it's Friday and you're M.I.A.  
And if you're lettin' go, lettin' go of me  
Then why you holdin' me that way

The chase is killing me, killing me, girl  
Now I'm telling you stay or go

If I can't have you, why won't you let me go?  
If you don't want me, say it on the radio  
So go on, go on, go on, just play it  
Come on, come on, come on, you'll never say it  
That you don't want me cause you can't let me go, me  
go

Now I'm gone, I've said it all  
Now I'm here, I'm nearly open  
Don't say another time, another place, another face

If I can't have you, why won't you let me go?  
If you don't want me, say it on the radio  
So go on, go on, go on, just play it  
Come on, come on, come on, you'll never say it  
That you don't want me cause you can't let me go, me  
go

Cause you can't let me go  
So go on, go on, go on, say it on the radio
