another beat cord
i'll never lose that record again
cause I hate it when you don't know what it sounds like
to me
out of the blue,
homecoming queen
she dont want a hug, she wants to be me
downstairs
go get a stick, throw it in the mall
walk around all night
that'll be fun for sure
here i am in my favourite pants
i got the only pants i got
downstairs on the basement floor
you've seen before
downstairs on the basment floor you've seen before
here comes your dad, he wants to beat me up
cause I dont like the way he treats you
here comes your mom to help you dress a certain way
"mom I dont think anybody likes me"
downstairs in the basement floor youve seen before...
