Here we go

Yesterday again, and I don't know where to run to
Just as you think the things are changing its yesterday
again
Its yesterday again time must be standing still
I think it is time for me to settle down it's Yesterday
again

'cos I don't know what's in store for me
And I don't think I care it's Yesterday again
Trying not to run away from life
Or could it be that I am in search of it
Yesterday again

Its yesterday again why is it that all the bad things
come to life
Release me and of course it's yesterday again
I don't know what's in store for me
I don't think I care, it's yesterday again

Yesterday again

Yesterday again
