### "Mild Mannered Monster"

You posted on the internet-net-net-net-net,  
And what you said made kids upset-set-set-set  
You said a song by one direction was lacking in the  
middle section  
Oh what an affront!  
Why are you such a cunt?

You watch a tv show you like Â– like Â–like Â–like  
And so you made a post about it  
On your fuck-yeah fandoms page  
Said it was action packed, a lot of fun and thatÂ’s a  
fact  
Why must you spoil it so?  
I wish youÂ’d not been born!

YouÂ’re a mild mannered monster  
Saying things you mean  
You disagree with someone  
How could you be so obscene?  
YouÂ’re amenable, a maverick and full of friendly  
cheer  
The internet donÂ’t want your kind round here.

You said the best Harry Potter film was the first-first-  
first-first  
As the kids grew up they got worse-worse-worse-worse  
Your point was well considered  
Eloquent, and well delivered,  
But none of thatÂ’s worth while  
Since you must be a paedophile.

YouÂ’re a mild mannered monster  
Saying things you mean  
You disagree with someone  
How could you be so obscene?  
YouÂ’re amenable, a maverick and full of friendly  
cheer  
The internet donÂ’t want your kind round here.

YouÂ’re not allowed opinions (Cars was an okay film)  
YouÂ’re not allowed opinions (Cars 2 was also fine)

You're not allowed opinions (I think Sherlock can be quite worthy)  
You're not allowed opinions (Alex Day's new song was listenable)  
You're not allowed opinions (I might go for lunch soon)  
You're not allowed opinions (There are arguments about the non-existence of God)  
You're not allowed opinions  
Unless they're the same as mine

You're a mild mannered monster  
Saying things you mean  
You disagree with someone  
How could you be so obscene?  
You're amenable, a maverick and full of friendly cheer  
The internet don't want your kind round here

You're a mild mannered monster  
Saying things you mean  
You disagree with someone  
How could you be so obscene?  
You're amenable, a maverick and full of friendly cheer  
The internet don't want your kind round here
