So many times I've seen you here
You come and you go alone
I believe your more than what you appear
And the time has come for you to know

Chorus

Like a Shot In The Dark, I'll be gunning for you
Like a Shot In The Dark, Shoot By Instints, Straight for
the Heart
Like A Shot In The Dark

Your so afraid to lay your heart on the line
It's the only thing you truly own
Your getting older now, but like a fine wine,
The taste is sweeter til the price is known

You shot down the last man that rode into town
A victim of cold blood it all was yours, You see yourself
as a fast gun at a showdown
I'm the new marshal knocking on your door

Chorus

Like a Shot in The Dark, I'll be gunning for you
Like a Shot In The Dark, Shoot By Instints, Straight for
the Heart
Like A Shot In The Dark
