Sink

They say,  
Im just a life that's full  
Of huge mistakes  
They say,  
Theres just no room for me  
Here in this place  
They say,  
Why don't you just  
Get up and Go  
But I know  
My sin is buried deep  
Beneath your throne

(Bridge)  
I cant fight this doubt  
While they're calling me out  
my soul is screaming

(Chorus)  
I breath  
Then I sink  
Oh Jesus Please  
Just rescue me  
I speak  
Before I think  
My lack of faith  
Has made these waves  
Swallow me

They say  
The things Iv done  
Just cant be erased  
They say  
Who I was is always  
Gonna stay  
They say  
I should just go on  
About my way  
But I know

My sin is far beyond  
your empty grave
