Birds and bees and apple trees are things
Money doesn't buy but sunshine brings
Oh how beautiful a day can be
When you say the one you love is me.
Here we are free to go
When you say you love me so.

I just love my little world
I don't need no new sensations
All I want it's the simple life
Loving you
the sweet temptation.

I just love my little world
...

We're not rich but everything's fine
I'm sure the one I love is mine
I don't need to be a millionaire
Money doesn't make our love affair
Here we are free to go
That's the place
we love you so.

I just love my little world
...
