I lay me down at Your feet my Jesus
Find me here with a heart that's pure
I am raised up in the love You pour on me
The moment I believe...

I lay me down at Your feet my Jesus
Find me here with a life like Yours
I am raised up in pow'r that sets me free
The moment I believe
The moment I believe

Chorus:
You come as You are
And I come as I am
And grace covers shame
You come in Your pow'r
And I bow down
And grace covers shame
You come like a flood and I'm lost in this "Hallelujah!"
You come as You are and I come as I am
And grace covers all of me... All of me...

I lay me down at Your feet my Master
Find me here with the grace to know
That I am raised up in the perfect love of God
The moment I believe
The moment I believe

Chorus

Bridge:
I am laid broken
Lord I am open
Breathe in me
And this by design
Is Your life divine
Living in me...
You come as You are...
I come as I am
You come in Your power
And I bow down

Chorus
