(Intro)

G D Em C

G D C

I've been thinkin' bout what you been cryin' bout
Baby there aint no doubt bout what we need to do

(Chorus)

Pick a highway see where it goes
Roll down the windows and turn up the radio
You drive me crazy the way you sing along
I think your so damn cute, you know the words to every
song
She knows the words to every song

(V2)

We need a vacation to rest our weary souls
I'm sick and tired of makin' love on the telephone
All these nights alone are drivin me insane
I been talkin' to myself just to hear your name

(Chorus)

(Solo)

(Bridge) Em D C Am D C Am D

I'm tired of spendn' all these nights alone
I'm sick and tired of makin' love on the telephone

(Chorus) A E F#m D
