Simon says I'm not myself when I'm not with you.  
Maybe change is the answer to our questions.  
Let's think the unthinkable, do the impossible,  
and complete our goals.

Won't you stay with me, I ask you please?  
I'm captivated by the midnight breeze.  
This grass is our new mattress,  
and covering with stars takes practice.

I HAVE AN INFATUATION WITH THE CONSTELLATIONS,  
I'M LOVING YOUR MOONLIT SMILE.  
THE LIGHT KEEPS SHINING AND THERE IS NO DENYING  
THAT BABY YOU'RE DIGGIN' MY STYLE.

WOO!

After so long of searching,  
finally started working,  
and you appeared to me.  
And in this appearance,  
there was no interference,  
and I see something heavenly.

Oh goodness gracious  
think of the fun we can make this,  
tonight you're nobody else's but mine.  
And I know that might sound selfish,  
but darlin' I can't help it.

I HAVE AN INFATUATION WITH THE CONSTELLATIONS,  
I'M LOVING YOUR MOONLIT SMILE.  
THE LIGHT KEEPS SHINING AND THERE IS NO DENYING  
THAT BABY YOU'RE DIGGIN' MY STYLE.

[x2]

We'll climb the tower,  
have a picnic for an hour,  
and stare at the starlit sky,  
I guess we went...

the right direction for perfection.  
Your eyes, the perfect shade of blue.  
If I could be anywhere else,  
I'd still be here with you.

Hopin' and prayin',  
that if I told you a secret,  
you would promise not to keep it,  
I want the whole world to know.

I HAVE AN INFATUATION WITH THE CONSTELLATIONS,  
I'M LOVING YOUR MOONLIT SMILE.  
THE LIGHT KEEPS SHINING AND THERE IS NO DENYING  
THAT BABY YOU'RE DIGGIN' MY STYLE.
