"Fight On"

We are almost down to the shore

Peter, Peter on the sea

Drop your nets and follow me

We are almost down to the shore

Fight on, fight on

Children don't turn back

We are almost down to the shore

I said, "Fight on, fight on"

Children don't, don't you turn back

We are almost down to the shore

God told Moses on the mountain top

He said, "Keep on going and don't you stop"

We are almost down to the shore

Fight on, fight on

Children don't, don't you, don't you, don't you turn
back

We are almost down to the shore

Fight on, fight on

Children don't turn back

We are almost down to the shore

Moses almost lost his mind

When God said, "Moses, you got to stay behind"

We are almost down to the shore

Walk together by Gods demand

Bound to reach the Promise Land

We are almost down to the shore

Fight on, fight on

Children don't, don't you, don't you, don't you turn
back

We are, we are almost down to the shore

Fight on, fight on

Children don't turn back

We are all almost down to the shore
