"On My Journey"

Well, when I'm on my journey don't you weep after me

When I'm on my journey don't you weep after me, try it

When I'm on my journey don't you weep after me

I don't want you to weep after me, try it again, you'll
find

Oh, when I'm on my journey don't you weep after me

When I'm on my journey don't you weep after me

Oh, when I'm on my journey don't you weep after me

I don't want you to weep after me

Well now, every lonely river must go home to the sea

Every lonely river must go home to the sea

Yes, every lonely river must go home to the sea

I don't want you to weep after me

High up on the mountain, leave my sorrows down
below

High up on the mountain, leave my sorrows down
below

High up on the mountain, leave my sorrows down
below

I don't want you to weep after me

When the stars are falling and the thunder starts to
roll, oh yeah

When the stars are falling and the thunder starts to roll

When the stars are falling and the thunder starts to roll

I don't want you to weep after me

Oh, when I'm on my journey don't you weep after me

When I'm on my journey don't you weep after me

When I'm on my journey don't you weep after me

I don't want you to weep after me, one more time

Oh, when I'm on my journey don't you weep after me

Oh, when I'm on my journey don't you weep after me

When I'm on my journey don't you weep after me

I don't want you to weep after me
