uhhhhhh huuhh

Its mariah and free just blaze beats (yeaaa)  
Its the rock and mariah and the women go (uhhhhhh)  
I i love it when the ladies sing (uh huh huh huh)  
And they love it when the whistles blow smothered in  
ring.  
Slide up on ya strip and go (uh huh huh huh) just to  
pick up ya sista bro you like the pick and choose  
who she date will i skate do i like the stick and move  
silly fool she kno that i got her I'll run up on her strip  
and go (uh huh huh huh)  
For mariah i'll play a brotha role I play a different role  
let her  
roll in a wheel long days goin and go and know what  
slimmy  
sje just like honey so she got me like winnie the pooh  
long nights let her chill wit the crew only backwards to  
do and  
she know how to roll they say out with the old and in  
with the new  
but she my dream lover so i cant let go heck no please  
belive me  
i never been a liar jus fire Mariah and freeweazy

I get shy around you  
Don't know what to say  
I don't know what to do  
'Cause you do something to me  
That I can't describe baby  
Always catch myself thinkin' 'bout  
The things you do  
There ain't no one else  
I got my heart set on you  
You really got me, baby it's true  
You know you got me  
So in love  
You know you got me  
Daydreamin' 'bout us  
You know you got me  
Starry eyed and elated

You know you got me  
Whenever you want me baby  
You know you got me  
Hypnotized  
You know you got me  
With you on my mind  
You know you got me  
Feeling intoxicated  
You know you got me  
Whenever you want me baby

Boy im all tangled up in you these feelins' i just cant
