Is that a letter you're hiding from me?
Well I think I'm being used again, let me open it & see
That's not what I wanted to hear
There's a time and place for everything & that time is
coming near

Do you have to spend so much time on your hair?
Well couldn't you started earlier? Of course you've got
things to wear!
No, I didn't pick up your coat on the way
Some of us have to work you know, have you been
sitting there all day?

All that I've done for you
After all that I have done for you
