Woah yea! Woaaaaaahh!
I've got you, come back to me
I want you like you would not believe
I see you and it's amazing me, Oh
I've got you, come back to me
To have you, well i would do anything
I'd fix you, or I could make you scream.
I've got you, come back to me
I've got you, I've got you
(Hey! Hey!)
I won't back
I won't back down
(Hey! Hey!)
I won't back
I won't back down
Try and stop me if ya can now baby
I've got you, come back to me
I'll prove to you, you can never be free
I've got you, there's no escaping me
I need you, come back to me
I want you, I want you
(Hey! Hey!)
I won't back
I won't back down
(Hey! Hey!)
I won't back

I won't back down
Try and stop me if ya can now baby
I've got you, come back to me
I've got you, don't you know anything?
Who's got who? Ohh, shhh
So you're caught in the rain
It's got you down
You keep singin' a freedom
You can't get out
You've got to, you've got to
You've got to sing it loud
For all the people that slaved in this world
I keep singing for every boy and girl
You've got to, you've got to

You've got to scream it loud!
(Hey! Hey!)
Woaaah!
(Hey! Hey!)
Gimme that suga'!
(Hey! Hey!)
I won't back
I won't back down
(Hey! Hey!)
I won't back
I won't back down
Try and stop me if ya can now baby
I won't stop 'till I get you holy
Try and stop me if ya can now baby
