All alone x4

(Verse 1)

Ive got something to tell you
But dont know how I'ma say it
I guess that I can only say one thing
Girl Ive been bad again
Girl Ive been bad again
Cuz with this money comes problems
And with these problems come solutions
And I use em
When I'm faded I forget
Forget what u mean to me
Hope you know what you mean to me

(bridge)

Pick up your phone
The parties finished
And I want you to know
I'm all alone
I'm feeling everything
before I got up

(Chorus)

I always want you when I'm coming down
x8

(Verse 2)

Poppin again
I tried to quit again
I'm always tight with something I begin
That's why my niggas got me till the end
Supply what I take
I take what I spend baby
I ain't fine to nobody but me
And you, and me
But you especially

(Bridge)

Pick up your phone
The parties finished

And I want you to know
I'm all alone
I'm feeling everything
Before I got up

(Chorus)

I always want you when I'm coming down
x8
