(Verse 1)

You dont know
Whats in store
But you know
What you here for
Close your eyes
Lay yourself besides me
Hold tight
Love is right
We dont need no protection
Come alone
We dont need attention

(Chorus)

Open your hand
Take a glass
Don't be scared
I'm right here
Even tho
You dont roll
Trust me girl
You wanna be
High for this

(Verse 2)

Take it off
You want it all
Cause i know
What you feeling
Its okay
Girl, I feel it too
Let it be
Baby breathe
I swear I'm right here
We'll be good
I promise
We'll be so good
Yeahhh

(Chorus)

You wanna be high for this x3
