Its seems like you blame all the bad
on your best friends..
Cause everything you do leads to them.
Right. Right? Right!
Maybe I could be your best friend..
Ohhhh
And baby I could fuck you right
Ohhh, Whoaaa

[Hook x2]
Baby you could have it all
Baby you could have it all
Baby you can have the cars,
the clothes, the jewels, the sex, the house!
Baby you could be a star!

Whoa,
Blaming all your sins on your best friends
And nothings never ever your fault
Nothings your fault baby!
Whoa oh woah,
Baby you don't need your best friends
Whoa whoa whooaaa
Cause I got everything you want
Ohhh Ehhhhh yeaaaa

[Hook x2]

[If, all I could say is if
Promise me you won't regret me when you're touching
on my skin
Let the wrong path come to me
One day I'm hoping that you, will remember me
When you fuck them you'll see my face
My body is yours
Give them any other day but thursday
You belong to me
Every thursday
I wait for you
I'll be beautiful for you
Every thursday

I exist
Only on thursday]

Not on monday, tuesday, wendesday, friday, saturday,
sunday

But on thursday.....

Not on monday, tuesday, wendesday, friday, saturday,
sunday

But on thursday.....
