I know, what you did
I know...
So I'mma let you
Taste her...
I ain't washing my sins
I ain't washing my sins

Now we're lying about the nights
Hiding it all behind the smiles
Take a look at what you did
Ayyy
You probably thought that you'd break my heart
Oh oh oh oh
You probably thought that you'd make me cry
But baby it's okay
I swear it's okay

Cuz I know everything
I know everything
I know everything
I know everything
I know everything
I know everything
I know everything
I know everything

Now these talks don't twist like they did before
It's hard to keep me up
And you are dry
But baby it don't hurt
Oh, like you thought it would
The more of you the merrier

Now we're lying about the nights
Hiding it all behind the smiles
Take a look at what you did
You probably thought that you'd break my heart
You probably thought that you'd make me cry
But baby it's okay
I swear it's okay

I know everything
I know everything
I know everything
I know everything
