There comes a time  
When we hear a certain call  
When the world  
Must come together as one

There are people dying  
And it's time to lend a hand to life  
The greatest gift of all

We can't go on  
Pretending day by day  
That someone, somehow  
Will soon make a change  
We are all a part of  
God's great big family  
And the truth, you know,  
Love is all we need

We are the world,  
We are the children  
We are the ones  
Who make a brighter day  
So let's start giving  
There's a choice we're making  
We're saving our own lives  
It's true we'll make a better day  
Just you and me

Send them your heart  
So they'll know that someone cares  
So their cries for help  
Will not be in vain  
We can't let them suffer  
No, we cannot turn away  
Right now they need  
Our helping hand

Nou se mond la,  
We are the children  
We are the ones  
Who make a brighter day  
So let's start giving

There's a choice we're making  
We're saving our own lives  
It's true we'll make a better day  
Just you and me

When you're down and out,  
There seems no hope at all  
But if you just believe  
There's no way we can fall  
Let us realize that a change  
Can only come  
When we stand together as one

We are the world,  
We are the children  
We are the ones  
Who make a brighter day  
So let's start giving  
There's a choice we're making  
We're saving our own lives  
It's true we'll make a better day  
Just you and me (x4)

We All Need Somebody  
That we can lean on  
When you wake up  
Look around and see that  
Your dreams gone  
When the earthquakes  
Would help you make it through the storm  
When the floor breaks  
A magic carpet to stand on  
We are the world united  
By love so strong  
When the radio isn't on  
You can hear this song  
I got a light on the dark road  
You're walking on  
A sign posted to find  
The dreams you thought was gone  
Someone to help you move  
The obstacles you stumbled on  
Someone to help you rebuild  
After the rumbles gone  
We are the world connected  
By a common bond, LOVE  
The whole planet singing along

CABARETT

We are the world,

We are the children  
We are the ones  
Who make a brighter day  
So let's start giving  
There's a choice we're making  
We're saving our own lives  
It's true we'll make a better day  
Just you and me

Everyday citizens,  
Everybody pitching in  
You say more love,  
You say no more  
You sensing more,  
You sensing more love  
You and I, you and I  
Twelve days no water  
Where's your will to live?  
We'll amplify the love  
And watch it multiply  
Feeling like the world's end  
We can make the world win  
Like Katrina, Africa, Indonesia,  
And now Haiti needs us  
They need us, they need us

We are the world,  
We are the children  
We are the ones  
Who make a brighter day  
So let's start giving (Nou se mond la)  
There's a choice we're making  
We're saving our own lives  
It's true we'll make a better day  
Just you and me
