Hardcore rules, hardcore rules.
Can't live my life for you.
Hardcore rules, hardcore rules.
Up to you wanna be one of societies fools.
Hardcore rules, hardcore rules.
Pack up the van let's travel around.
Hardcore rules, hardcore rules.
Friends from the east to the west.
Hardcore rules, hardcore rules.
Japan, Europe too.
Jimmy says he loves straight edge kids.

There are great to have around.
Fr a ride home when your piss drunk.
And me I love everyone as long as your not a dick.
So if you've got a big mouth keep it shut.
Say you're to old and it's time to grow up.
So you become another hardcore dropout.
Remember this is all about the fun.
And you're nover too old to sing along.
Hardcore rules, hardcore rules.
