"Let The Past Be The Past"

Let the past be the past, Let the past be the past.
On thing we share is memories.
Cause our friendship has long since faded away.
You choose to forget I was there for you, and I know I
was true.
So now I don't give a damn and I forget about you too.
Let the past be the past.
Come up to me like a friend.
But I'm wise to your game.

And to think I looked out for you.
A lesson in loyalty you need.
Seperate ways be on your way.
Don't look to me for help.
Cause when I need you.
You were no where to be found.
Seperate ways be on your way.
Don't look to me for help.
Let the past be the past.
