Your life's a mystery, mine is an open book.
If I could read your mind, I think I'd take a look.
I'm not scared, baby, I don't care.
What have you got to hide? What do you need to
prove?
You're always telling lies and that's the only truth.
I don't care, baby, I'm not scared.

Tonight the streets are full of actors, I don't know why.
Oh, take these dogs away from me before they, they
bite.

What have you got to say of shadows in your past?
I thought that if you paid, you'd keep them off our
backs
But I don't care, baby, I'm not scared.
What have you got to hide? Who will it compromise?
Where do we have to be, so I can laugh and you'll be
free?
I'd go anywhere, baby, I don't care, I'm not scared.

I don't care, baby, I'm not scared.

Tonight the streets are full of actors, I don't know why.
Oh, take these dogs away from me before they, they
bite.
Tonight I fought and made my mind up, I know it's
right.
I know these dogs still snap around us but I can, I can
fight.

If I was you, if I was you, I wouldn't treat me the way
you do.
If I was you, if I was you, I wouldn't treat me the way
you do, you.
If I was you, if I was you, I wouldn't treat me the way
you do.
If I was you, if I was you, I wouldn't treat me the way
you do, you.

I'm not scared, baby, I don't care.

I'd go anywhere, baby, I'm not scared.
I'm not scared, no, I'm not scared.
