At dead of night, when strangers roam
The streets in search of anyone wholl take them home
I lie alone, the clock strikes three
And anyone who wanted to could contact me
At dead of night, till break of day
Endless thoughts and questions keep me awake
Its much too late

Whereve you been?
Whove you seen?
You didnt phone when you said you would!
Do you lie?
Do you try
To keep in touch? you know you could
Ive tried to see your point of view
But could not hear or see
For jealousy

I never knew time passed so slow
I wish Id never met you, or that I could bear to let you
go
At dead of night, till break of day
Endless thoughts and questions keep me awake
Its much too late

Whereve you been?
Whove you seen?
You didnt phone when you said you would!
Do you lie?
Do you try
To keep in touch? you know you could
Ive tried to see your point of view
But could not hear or see
For jealousy
Whereve you been?
Whove you seen?
You didnt phone when you said you would!
Do you lie?
Do you try
To keep in touch? you know you could
Ive tried to see your point of view

But could not hear or see
For jealousy

Whereve you been?
Whove you seen?
You didnt phone when you said you would!
Do you lie?
Do you try
To keep in touch? you know you could
Ive tried to see your point of view
But could not hear or see
For jealousy
Whereve you been?
Whove you seen?
You didnt phone when you said you would!
Do you lie?
Do you try
To keep in touch? you know you could
Ive tried to see your point of view
But could not hear or see
For jealousy

I never knew till I met you
