We don't have to fall apart  
We don't have to fight  
We don't need to go to hell and back every night  
I'm gonna get through, baby  
I'm gonna get through

We don't have to fall apart  
We don't have to fight  
We don't need to go to hell and back every night  
I'm gonna get through, baby  
I'm gonna get through

You always wanted a lover  
I only wanted a job  
I've always worked for my living  
How am I gonna get through?  
How am I gonna get through?

I come here looking for money  
(Got to have it)  
And end up living with love, oh  
Now you left me with nothing  
(Can't take it)  
How am I gonna get through?  
How am I gonna get through?

I bought you drinks, I brought you flowers  
I read you books and talked for hours  
Every day so many drinks  
Such pretty flowers, so tell me  
What have I, what have I, what have I done to deserve  
this?  
What have I, what have I, what have I done to deserve  
this?  
What have I, what have I, what have I...

Since you went away I've been hanging around  
I've been wondering why I'm feeling down  
You went away, it should make me feel better  
But I don't know  
How I'm gonna get through

How I'm gonna get through

You always wanted me to be something I wasn't  
You always wanted too much, oh  
Now I can do what I want to (Forever)  
How am I gonna get through?  
How am I gonna get through?

At night the people come and go  
They talk too fast and walk too slow  
Chasing time from hour to hour  
I pour the drinks and crush the flowers  
What have I, what have I done to deserve this?  
What have I, what have I, what have I done to deserve  
this?  
What have I, what have I, what have I...

Since you went away I've been hanging around  
I've been wondering why I'm feeling down  
You went away, it should make me feel better  
But I don't know, oh  
How I'm gonna get through, gonna get through  
How I'm gonna get through, oh  
How I'm gonna get through, baby  
How I'm gonna get through, oh

(Gonna get through) Oh  
Oh, I'm gonna get through (Gonna get through)  
Right

We don't have to fall apart, we don't have to fight  
We don't need to go to hell and back every night  
Gonna get through (Gonna get through)  
Baby  
I'm gonna get through (Gonna get through)  
Oh, yeah  
Gonna get through, oh  
Gonna get through, oh  
I'm gonna get through
