VERSE I

I wear tight fittin jeans if you know what I mean
I like the ways the girls look when they all look at me
A tisket or a tasket, it's all about the basket
I wear tight fittin' jeans if you know what I mean

VERSE II

I wear tight fittin' jeans if you know what I mean
If they get any tighter Lord I know I'll bust my seams
Baby don't be frightened, just climb aboard and ride it
I wear tight fittin jeans if you know what I mean

BRIDGE

And when I'm on the avenue, the girls all stop and say
They like the way I look , they way I walk, it makes their
day
They think it's just a little bit of magic I possess
But baby I am here to say, it's talent and finesse

MUSICAL SOLO

So if you want to take a little trip among the stars
Climb aboard and saddle up, we're headed off to Mars
And when we finally come back down and smokin'
cigarettes
You can say you've done it all 'cause now you've had
the best

VERSE III

I wear tight fittin jeans if you know what I mean
Like objects in the rear view
It's bigger than it seems
It's time to get excited
And I know you'll be delighted
I wear tight fittin jeans if you know what I mean

I said it's time to get excited
And I know yoo're gonna like it
I wear tight fittin jeans if you know what I mean

Yeah, I wear tight jeans, if you know what I...

Tight fittin' jeans, can't stop it now
Tight fittin' jeans if you know what I mean, Yeah!

Oh baby, it's a monster!
