She's like an ice cold slice of sweet watermelon  
On the hottest day in the middle of July  
Whoa whoa whoa She's got it going on  
There ain't a minute of a day goes by  
Without some thought of her crossing my mind  
Whoa Whoa Whoa she's the only one  
And I can't wait til the 5 o'clock bell  
That's when I get to see my baby  
I run out to my truck and then I drive like hell  
Cause I know she'll be waiting for me..... She'll be

On her front porch in a sexy little t-shirt  
Showing just enough tan line that makes me wanna  
Bark like a dog and howl at the moon  
I'm crazy for that girl  
And there ain't anyone I could love better  
I'm hoping and praying she'll say yes to forever  
When I get down on one knee  
And give her that diamond ring  
She really rocks my world  
She's a sexy little slice of sweet watermelon my girl!

When I'm with her I'm a sweepstakes winner  
Still can't believe I won the first prize  
Whoa whoa man ain't it cool?  
There ain't anything I wouldn't do  
Just to get to see her flash those baby blues  
Whoa I start acting like a fool  
My heart starts racing; I pull into her drive  
My baby's making me go plumb wild! She's there...

REPEAT CHORUS

She pulls me close and she whispers in my ear she  
says:  
"Hey Baby I think there's some wild flowers....  
That need picking around here!!!" She's

REPEAT CHORUS

She rocks my world yeah she's some kind of girl

She really rocks my world she takes me for a twirl  
She really rocks my world  
She's a sexy little slice of sweet watermelon my girl!  
My girl! My Girl!
