The truth came around today  
Sprung upon us all that's seldom seen  
Sheltered until April

We knew they were there  
But half pretended, half believed that they  
Would disappear come April

They would disappear in April

Lay and watch the clouds  
Watch the clouds rolls by  
To forget is not....  
Roll into the sky  
Lay and watch the clouds

Roll by, roll by

It's the snow, it's the wind, it's the rain  
It's the sun...  
The thaw bares everything  
Like a sun that, like a sun that swims  
Nakedly through April

I hope we can hold this shell  
It's paper thin, it's pale, it's blue  
For you, for you  
And for me

Blue for you  
And for me

We happily pretended

Lay and watch the sun  
Watch the sun roll by  
To forget is not..  
Roll into the sky  
Lay and watch the sky  
Watch the sky roll by  
To remember is...
