Didn't you learn  
It's supposed to burn  
Didn't you know  
Well I'm telling you so

Time is traced  
When I look at your face  
And it's no surprise  
He doesn't have your eyes

Yes, it's no surprise

They shine green, so green  
Yes, it's no surprise  
They shine green, so green

They shine green, so green  
And the spurs you've got  
Well, they matter not  
When the laws fate  
Pull all the weight

Fate pulls all the weight

If you would only take a look inside his eyes  
You'd known they'd seen the same as you

It's supposed to burn  
It's supposed to burn  
It's supposed to burn
