Walking on a sun burnt sky
It isn't day it isn't night
Seems I'm the only one awake
I look for love to come my way

It isn't night it isn't day

Shuffle off to Buffalo
See the downtown go, go, go
???Round and ???round the oldest tree
I count the rings I'll never see

They keep on keep on saying
This haze is gonna burn
I keep on keep believing

Something's gonna turn

Walking on the sun burnt sky
It isn't day it's not quite night
Lazy Susan window pane
I watch for love to swing my way

They keep on keep on saying
This haze is gonna burn
I keep on keep believing
Something's gonna turn

???Cause there's something that I want to know
