I know that she's waitin'
for me to say forever
I know that I sometimes
just don't know how to tell her
I want to hold and kiss her
give her my love, make her believe
she doesn't know
she doesn't know

you're all I need beside me girl
you're all I need to turn my world
you're all I want inside my heart
you're all I need when we're apart
you're all that I need - yeah

I know that she's always
there when I need her loving
I know that I never
told her how much I love her
I see her face before me
I look in her eyes
just wondering why
she doesn't know
she doesn't know
she doesn't know

you're all I need beside me girl
you're all I need to turn my world
you're all I want inside my heart
you're all I need when we're apart

say, say that you'll be there
whenever I reach out to feel your hand in mine
stay, stay within my heart
whenever I'm alone, I know that you are there

oooooh

(2 times)
you're all I need beside me girl
you're all I need to turn my world

you're all I want inside my heart
you're all I need when we're apart

all that I need is for you to believe
all that I need is YOU
