Aint it better when you see what you've done
Aint it better when you're not on your own
Aint it better when you see what you've done
Aint it better when you're not on your own

When you're here you've got something to say
I tell you've selling your friend...
You make me think that your builtness blame
Just think you slick but you're out of line...

Sting me red
I feel fire
Lay my name
I know liar
Sting me red
I feel fire
Lay my name
I know liar

Oh... oh... you think you're so clever... clever... clever...

got me treated on a "he said, she said"
can't believe what you did, what you said
You got me treated on a "he said, she said"
I can't believe what you did, what you said

Don't you know I've put a hust on you
Yeah
My bat will hit you like a brick...
Lift your head when I'm talking to you
You think you're slick, but I've got you baby...

Sting me red
I feel fire
Lay my name
I know liar
Sting me red
I feel fire
Lay my name
I know liar

Oh... oh... you think you're so clever...clever...clever...

You think you're so clever

You can't break me never

You think you're so clever

You think you're clever you think you're so clever...
