People sure act funny  
When they get a little money  
Yes, they do, y'all  
Sure act funny when  
They get a little money  
Yes, they do, y'all

I knowed you when lived in a hut  
You made your living  
From the cane you cut  
Now you're living on easy street  
You passed me by and  
You don't wanna speak

People sure do holler  
When they get on to a dollar  
Yes, they do, y'all  
Sure do holler when  
They get on to a dollar  
Yes, they do, man

I knowed you when  
You didn't have no shoes  
Your whole family  
Sang the lonely blues

Now you're grinning  
Like a Cheshire cat  
You're?, big and fat

People sure do squeal  
When they get a dollar bill  
Yes, they do, man  
Sure do squeal when  
They get a dollar bill  
Yes, they do, y'all

I knowed you when  
You were my kin  
I stuck to you through  
The thick and thin

You were the mother  
Who put me out?  
I'm here to tell you  
Change and turn around

People sure act mean when  
They get a mess of green  
Yes, they do, man  
Sure act mean when  
They get a mess of green  
Yes, they do, man

I knowed you when you  
Didn't have a dime  
We'd be together all the time  
Now that you are big enough  
You can't be found nowhere

People sure act funny  
When they get a little money  
Yes, they do, y'all  
Sure act funny, man  
When they get some money

I'm gonna get outta this town  
And find me some money  
What about you, man

Everybody sure act funny  
When they get a little money...
