Stuff you gotta watch
Na na na na na baby
Stuff you gotta watch
Would you believe that

For every action there's an reaction
For every do there's a don't
A woman cries no satisfaction
You can't find one that won't
As I was saying she's was keep
Ain't no use than hopeing
Close one eye when you go to sleep
You better keep the other one open

Stuff you gotta watch
Na na na na na baby
Stuff you gotta watch
Na na na na na na

Now you chasing his old lady
Being so discreate
Somebody taking care of your business
Like a dog out on the street
You so busy caring on
Having fun all day
Your old lady just beat you in
By the back door way

Stuff you gotta watch
Na na na na na na
Stuff you gotta watch
Na na na na na na

Don't trust your friend they'll do you in
The one that's smiling in your face
You may think you got a chance to win
They'll have to lose the race

Better have a look out
While you having your fun
You'll get caught with your shoes off
Tatoo's that's the one

Stuff you gotta watch
Na na na na na baby
Stuff you gotta watch
Na na na na na baby
Stuff you gotta watch
Na na na na na baby
Stuff you gotta watch
Na na na na na baby
Stuff you gotta watch
Na na na na na baby
Stuff you gotta watch
Na na na na na baby
Stuff you gotta watch
